*"While commending our pastors and pastoral life coordinators who have gone to great lengths to assure safe worship spaces in our churches, due to the increase in the COVID-19 cases in our state, the Indiana bishops have decided to extend the dispensation from the obligation of Sunday Mass attendance beyond **August 15** until **November 1, 2020**, unless further developments determine otherwise."*

Peace be with all of you.

A few updates.

We have finished fixing up the guest room at the rectory. The youth group helped scrape the popcorn ceiling off and gave the room a fresh coat of paint. Also we added new carpet to the room. It is looking great! It is helpful to be able to offer the room to visiting priests or have it available for the possibility of a seminarian living here for the summer.

I had my first meeting with the parish council this past Tuesday. It was very beneficial to hear about the needs of the parish and develop a plan to breathe new life into our community in the midst of the pandemic. I am looking forward to working with them in the months to come.

I have discerned to take our music ministry in a new direction. We have shared Sister Rose with St. Joseph Parish in Bluffton for 17 years. She has been faithfully leading both the choirs and music ministries. Along with Fr. David Violi, the pastor at St. Joseph's, we have determined that each parish is ready to have their own music ministry director and no longer share one person. Two new jobs will be created and each parish will have someone solely dedicated to the music at that parish. We are grateful to Sister Rose for her many years of service at our parish not only with music but also with RCIA, liturgical decorating and everything in between.

Have a Blessed Week,
Fr. David Huneck

We want to thank the parishioners who helped make our 2020 Parish Picnic successful! We greatly appreciate everything you did so we could still have this

Religious Education Registration

Registration for the 2020-2021 Religious Education school year will take place again this weekend, August 22-23. **All families** will need to fill out registration papers for their children. This year, we are beginning a new policy of having families fill out the paperwork, either on-line or in person so that we will have the most up-to-date information possible. We are also going to be collecting tuition fees at the time of registration. This can be done in-person or on-line as well. A letter to all families has been sent out with an explanation of all the protocols that will be followed with in-person learning, as well as, a list of needed supplies for each class. Since there cannot be any sharing of such things as pencils, markers, or glue sticks, we are asking that each child bring their own supplies which will remain in the classroom for use each week. Any questions or concerns can be addressed to Anita at anitasenesac@yahoo.com or 260-312-6836.

If you are not comfortable about attending Mass at this time and do not wish to serve, please let me know by way of email saintpaulchurch@embargmail.com or call and leave a message. Thank you all for your help.
