The Body and Blood of Christ  
Luke 9:11-17

*As the day was drawing to a close...(Luke 9:12)*

Why did Jesus keep the people so late? Was he unaware of the passing of time? Or was he so caught up with healing them that he forgot that they would need to eat? Neither scenario is very likely, Jesus was always aware of his surroundings, and he never did something without first thinking it through.

No, Jesus knew what he was doing and why he was doing it. He knew he would need to feed this crowd of people miraculously—and he was happy to do it. It was his way of giving them another sign of his love for them. He didn't want to just heal them and send them on their way. He wanted to share a meal with them. He wanted to spend more time with them—the kind of quality time that happens during a shared meal.

This is part of the wonder of the Body and Blood of Christ. Jesus wants to spend time with us. He wants to spend time with you. He loves you for who you are, not just for what he can do for you. He just enjoys your company, and he wants to share his love with you.

No wonder Jesus promised to be with us in a special way at Mass! Every time we receive him in Communion, he comes into our lives—all of him. He comes to tell us that he loves us and that he values us. Certainly he comes as Savior to heal and to bless us, but he also comes as Friend just to be with us. In fact, it's because he loves us so much that he is committed to giving us his blessings.

Jesus is waiting for you at Mass today. He's waiting for you every day in the Tabernacle of his presence. Go spend time with him. Let his friendship and love warm your heart. And go warm his heart with your love.

*"O Sacrament most holy, O Sacrament divine! All praise and all thanksgiving be every moment thine."*
